

ALEXANDRA MORTON

BIOLOGIST

Join biologist Alexandra Morton in an online conversation with Adam Olsen.

They will discuss how important salmon are, why Alexandra spent her life trying to rescue them from extinction, and the breakthroughs in science that allow salmon to "talk" to us and tell us what needs to change for them to survive.

SALMON TALK/PEOPLE LISTEN

A VISION FOR SALMON RESTORATION

A SPECIAL EVENING ONLINE WITH ALEXANDRA MORTON

MARCH 23, 2021

7:00PM
